## They say there is a reason

They say there is a reason.  
They say that time will heal,  
But neither time or reason,  
Will change the way we feel.

For no one knows the heartache.  
That lies behind our smiles,  
No one knows how many times,  
We have broken down and cried.

We want to tell you something,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to do without.

There is no night without a dawning,  
No winter without a spring,  
And beyond death's dark horizon,  
Our hearts once more will sing.

For those who leave us for a while,  
Have only gone away  
Out of a restless careworn world,  
Into a brighter day.
