### Lucinda Williams Project

The band is comprised of diehard fans from various local bands including the Leyton Stones (the three Petes - Abernethy, Feldon and Stafferton) and the Black Scarr Band (Steve Botcher), plus two friends. The performances will be fairly close to the original songs by Lucinda Williams, but this is not a tribute band, so don't expect leather pants and a southern drawl. Lucinda is not well known in the UK, but she commands a significant following within the Americana, alternative, and country music communities. She has recorded 15 studio albums, won three Grammy Awards and was named "America's best songwriter" by Time magazine in 2002.

Sam Castell-Ward distinct folk punk; spotlighting inequality, resilience and experiences of those marginalised by society with a striking, unfiltered honesty

## In Our Hearts

We thought of you today.  
But that is nothing new.  
We thought about you yesterday.  
And days before that too.  
We think of you in silence.  
We often speak your name.  
Now all we have are memories.  
And your picture in a frame.  
Your memory is our keepsake.  
With which we'll never part.  
God has you in his keeping.  
We have you in our heart.
